

## DCSP | Media Release Waiver

If this form is not returned, it is assumed that you have given full permission for your child's image to be used on our social media platforms, website and in communications.

I understand that trainees, including my child, in DCSP functions, may be included in photographs and/or videos (the 'Photos') taken by spectators, parents, coaches, staff members, and/or by professional photographers/videographers.

Accordingly, I give DCS Performance LLC the right to use the photos and/or videos as well as my names, my child's name (first name only), and likeness in any manner and without any compensations to me or my child. I waive any right to inspect or approve the final version of the photos and/or any accompanying written materials, such as a description of the relevant photo/video.

Examples of how DCSP uses the photos include on social media, in email marketing, on printed marketing materials, on the DCSP website, on signage, and on other materials used to promote the DCSP brand.

I represent that I am a parent/legal guardian to my child, who is a participant, and I agree that the grant and release explained above binds me and my child to all of its terms.

I have read this media release waiver and fully understand its terms. I also understand that I have given up certain rights by signing this release, as explained above, and I voluntarily agree to do so.

I agree with the Media Release Waiver (please sign and date)

## DCSP | Training Release Waiver

I understand that as the parent or guardian of an athlete training with DCSP, I give permission to participate in said activity. This consent allows my child to practice or participate in DCSP training sessions.

It is also a waiver of injury. Parents or guardians of trainees understand that DCS Performance LLC is not liable for any injuries that may occur while participating during, before, or after training sessions.

It is understood that DCSP cannot be held liable for any injury that may possibly occur during these training sessions.

We will always strive to provide the safest possible environment for all trainees, with a clear focus on athlete and trainee safety and the reduction of injury and risk.

I agree with the Training Release Waiver (please sign and date)
